BERGHAUS LIMITED ("the Company")

TERMS AND CONDITIONS OF SALE – INTERNATIONAL

These terms and conditions ("Terms") shall govern all sales of Goods by the Company to the Customer. The Company reserves the right to amend these Terms from time to time, any such changes shall apply to any Orders placed after the date the updated Terms are placed on the Company's website. The Customer should check these Terms regularly for any changes. In these Terms "Contract" means the contract for the supply of Goods, "Customer" means the person or company that purchases the Goods from the Company, "Goods" means any goods supplied or to be supplied by the Company to the Customer and "Order" means the Customer's order for the Goods.

Contract

1. These Terms apply to the Contract to the exclusion of any other terms, including any that the Customer seeks to impose or incorporate, or any which are implied by trade, custom, practice or course of dealings.
2. The Order constitutes an offer by the Customer to purchase Goods in accordance with these Terms and shall only be deemed accepted when the Company issues a written acceptance, at which point the Contract shall come into existence.
3. The Company reserves the right to amend any accidental error or omission on price lists, quotations, order acknowledgements, invoices, credit notes or other Company documentation.
4. Once accepted, the Customer may not cancel any Order or return Goods without the Company's prior written consent. Such consent may be subject to conditions (in the Company's sole discretion) and any returns will be subject to the Company's returns policy (including a 20% handling charge).

Delivery

5. Delivery times and/or dates stated by the Company are approximate only, time of delivery shall not be of the essence. The Company accepts no liability for any failure to comply with such times and dates. The Customer shall have no right to cancel the Contract in the event of such a failure. For the avoidance of doubt the Company shall not be liable for any penalties or charges that the Customer attempts to impose in relation to late delivery or non-delivery.
6. Delivery of the Goods shall be made in accordance with the Incoterm (as defined in the latest published version of Incoterms), and to the delivery location, stated on the Order acknowledgement issued by the Company. Unless otherwise agreed in writing by the Company, the deemed delivery and responsibility for insurance, transit costs and compliance with any applicable customs formalities shall be determined by the Incoterm stated on the Order acknowledgement.
7. For direct deliveries the Customer shall obtain at its own risk and expense any export licence or other official authorisation and carry out all customs formalities necessary for the exportation of Goods at the named place of destination on the Incoterm as advised by the Company from time to time.
8. Any shortage, loss or non-delivery must be notified to the Company within 10 days of the delivery date on the advice note or invoice. The Customer shall not be entitled to reject the Goods if the Company delivers up to and including 5% more or less than the quantity of Goods ordered, but a pro rata adjustment shall be made to the Order invoice providing the Company receives notification within 10 days of delivery.

9. The Company shall be entitled to deliver the Goods by instalments. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.

10. If the Customer fails to take delivery of the Goods on the date of delivery, the Company shall, without prejudice to its other rights, be entitled to store the Goods at the Customer's risk and cost.

Price and Payment

11. Unless otherwise agreed in writing by the Company, the price of the Goods shall be that which is stipulated in the Company's applicable price list (the "Price List") in force at the date of the Company's acceptance of the Order. The Price Lists are subject to alteration without notice. In the case of an Order delivered by instalments, each instalment shall be invoiced at the price stipulated in the Price List in force at the date of despatch of the instalment. Unless otherwise agreed in writing by the Company, prices set out in any of the Company's price lists, quotations and acknowledgement of Order are exclusive of the costs of delivery, packing, insurance or any value added, purchase or other taxes which shall be payable in addition to the price when the price is due.

12. The Company shall be entitled to charge the Customer a surcharge for Orders of less than £250 or €300 excluding VAT or of such value or quantities as notified by the Company to the Customer from time to time.

13. The Company shall invoice the Customer for the Goods on or after despatch of the Goods. The Company shall be entitled to invoice each instalment as and when each instalment is despatched.

14. The Customer shall make payment of sums due to the Company to the bank account nominated in writing by the Company in the currency stated on the invoice within 30 days from the date of the relevant invoice. Time for payment of the Goods (including, without limit, any costs or charges payable) shall be of the essence. Payment shall only be deemed received by the Company upon receipt of cleared funds. The Customer may not withhold or make any deduction from or set off against any payment due to the Company for any reason.

15. The Company may charge interest on any outstanding amounts from the due payment date until the date of payment at a rate of 2% above National Westminster Bank plc's base lending rate from time to time in force.

16. The Company's recommended retail prices shall not limit the Customer's right to set its own resale prices.

Quality

17. Whilst every effort will be made to supply Goods in accordance with samples and/or agreed specifications, the Company reserves the right to modify specifications, designs and materials where such modifications do not materially affect the quality or fitness for purpose of the Goods or where it is necessary to comply with any applicable standards or legal requirements.

18. The Company warrants that on delivery the Goods shall be free from material defects in materials and workmanship. The Company will either replace or refund (at the Company's option) the price of any Goods which are shown to the Company's reasonable satisfaction to be defective in materials or workmanship at the time of delivery provided that:

18.1 the Customer inspects the Goods on delivery and notifies the Company within 10 days of delivery of any alleged defects or damage. Otherwise, the Goods shall be deemed to be in accordance with the

Contract and free from any defect or damage which would be apparent upon a reasonable examination;

18.2 where a defect would not have been apparent on a reasonable examination under clause 18.1, the Customer notifies the Company as soon as reasonably possible when the defect becomes apparent

or within 180 days of delivery whichever is earlier;

of the Goods), or misuse or alteration or repair of the Goods without the Company's prior written approval.

19. 21. Subject to clause 20;

30. Until the legal and beneficial title to the Goods passes to the Customer in accordance with these Terms, the Customer shall:

30.1 be entitled to re-sell the Goods only in accordance with clause 33;

30.2 hold the Goods on a fiduciary basis as bailee for the Company;

Company's interest, and the Customer shall promptly provide a copy of such endorsement at the Company's request.

31. If the Customer does anything, or fails to do anything, which could cause it to become subject to any of the events listed in clause 34.4, or if the Company reasonably believes any such event is about to happen, then:

31.1 the Customer's right to possession of the Goods shall immediately cease;

31.2 the Customer's right to resell the Goods to its clients pursuant to clause 33 shall immediately cease; and

32.1 the Company shall have the power to resell the Goods, such power being additional to (and not in substitution for) any other power of sale arising by operation of law or implication or otherwise; and

37. Trade marks and/or logos applied to any of the Goods may be used only for the purpose of advertising the Customer's sale of the Goods provided that the Company's prior written consent is obtained.

38. No rights are granted to the Customer by virtue of its use of the Company's trade marks or logos.

39. The Customer shall keep confidential and not use, without the prior written consent of the Company, any information of a confidential nature supplied or disclosed by the Company to the Customer, and shall not divulge the same to any third party except to the extent that any such information is or becomes public through no fault of the Customer, or disclosure of the same is required by law or by a governmental or regulatory body.

40. The Customer may not assign or sub-contract any of its rights or the obligations under the Contract without the prior written consent of the Company. The Company may assign, licence or sub-contract all or any part of its rights or obligations under the Contract.

41. A person who is not a party to the Contract shall not have any rights to enforce its terms.

42. The Customer shall comply with all applicable laws, regulations, codes and sanctions relating to anti-bribery and anti-corruption and shall act in accordance with the Company's policies in this regard in all dealings with or on behalf of the Company and the Goods.

43. Any part of these Terms or the Contract which is or becomes invalid, illegal or unenforceable shall be deemed modified to the extent necessary to make it valid, legal and enforceable and shall not affect any other part of these Terms or the Contract.

44. No waiver or delay by the Company (express or implied) in enforcing any of its rights under a Contract shall prejudice its right to do so in the future.

45. No variation of these Terms or the Contract shall be effective unless in writing and signed by the Company.

47. The construction, validity and performance of all Contracts (including any associated non-contractual claims and disputes) between the parties shall be governed by the laws of England & Wales and shall be subject to the exclusive jurisdiction of the English Courts although this shall not limit the right of the Company to commence proceedings in any jurisdiction the Company deems appropriate.
